# ABOUT CARTAGENA

Cartagena is a city overflowing with romance and history!

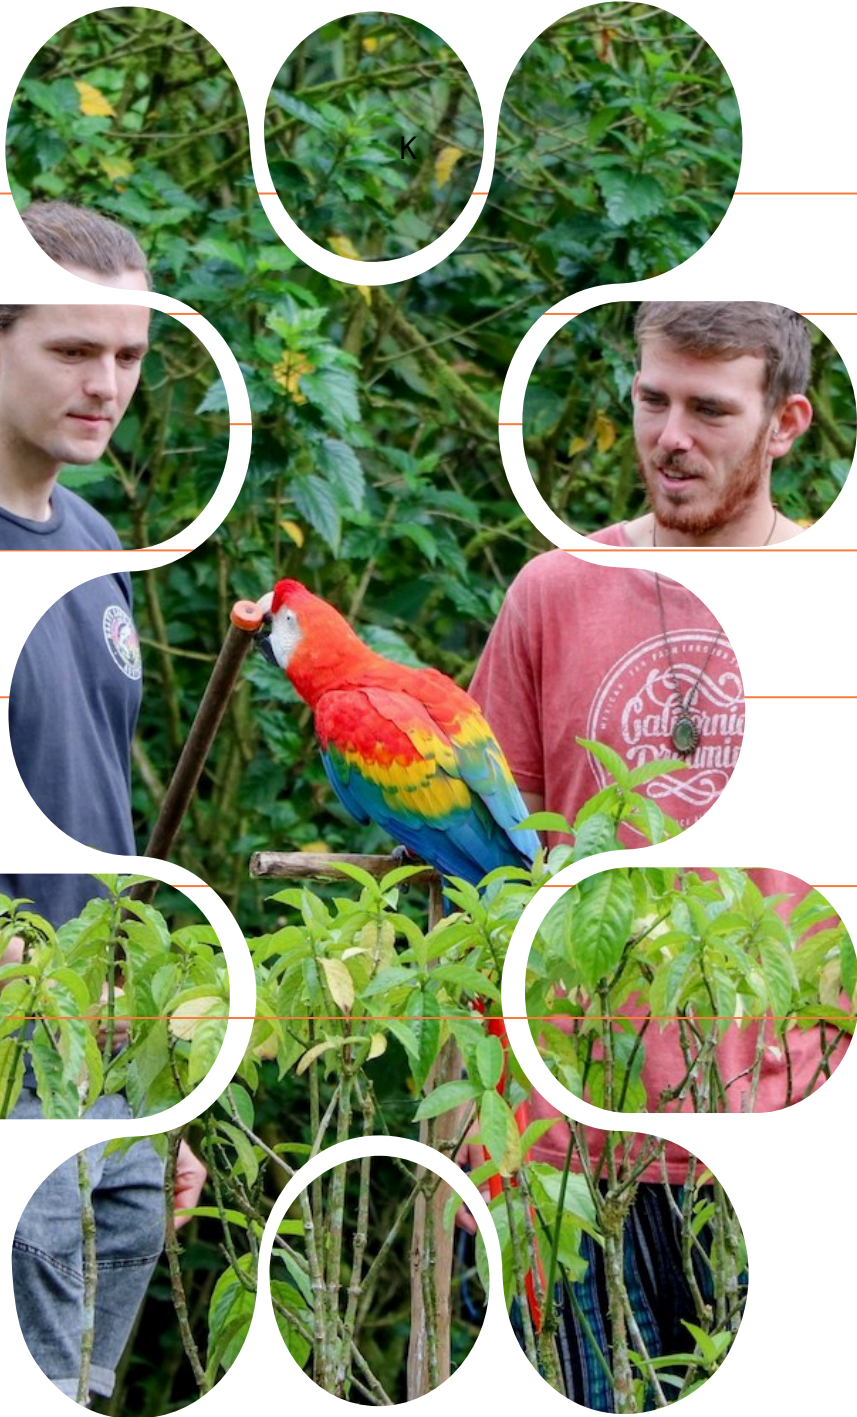

Its streets echo tales from the time when Spanish explorers first unearthed gold in the tombs of the Sinu people. The city has weathered five dramatic sieges by pirates in the 16th century, including the famous (or infamous) raid led by Sir Francis Drake. Today, Cartagena invites you to wander its charming streets and soak up its laid-back, sensual vibe.

Just a short distance away, La Boquilla offers a unique slice of local life. This community of Afro-descendants, primarily engaged in tourism and fishing, sits at the "entrance" of the Ciénaga de la Virgen. Here, you can experience a different side of Cartagena's culture and traditions.

With an average temperature of around 27°C, Cartagena and La Boquilla are perfect for beach outings and outdoor adventures all year round.
